

Sponsorship Opportunities

2024

Dear friends,

Thank you for your interest in supporting the National Capital Gift Planning Council. NCGPC would not be the valued organization that it has become without the support of our longstanding, generous and dedicated sponsors.

Each year, NCGPC hosts a series of monthly programs, provides networking opportunities, organizes one-on-one and group mentoring, coordinates roundtable discussions, and offers an all-day conference. Moreover, our commitment extends to identifying and pursuing strategies that increase the diversity, equity and inclusion of our membership and leadership.

At the core of NCGPC lies a profound mission—to foster philanthropy by empowering and unifying gift planning professionals across the National Capital area. Through education and connection, we strive to strengthen fundraising professionals, non-profit organizations, and allied professionals in all aspects of charitable gift planning. We could not accomplish our work without the dedication of our generous sponsors.

As a sponsor, you'll receive a selection of benefits and gain invaluable exposure through introductions, exhibit tables, monthly meeting acknowledgement, recognition in our year-end email and social media posts, logo placements, and more during our program year. Additionally, our all-day conference presents numerous exclusive benefits for our esteemed sponsors.

We invite you to save the date for our all-day conference, PG Day, scheduled for Thursday, June 6, 2024. We also invite you to join us for our 2024 monthly programs, where opportunities for collaboration and engagement abound.

Sponsorships go quickly and are available on a first-come, first-served basis. The following benefit grid and accompanying lists are for our 2024 programming year which runs from January 1, 2024, to December 31, 2024. To reserve your sponsorship today, please complete the Sponsorship Interest Form enclosed on the last page of this packet and return it to us. We will then send you a Sponsorship Agreement and more information about how to share your company's information so we can generously recognize you as a 2024 NCGPC sponsor.
